

growing CAPITAL CAMPAIGN

WHY GIVE?

This fundraising campaign is to raise funds to purchase and remodel a 43,900 sq. ft. facility at 500 Becker Road, Leola, PA 17540. This facility will empower *Blessings of Hope* to effectively reach millions of low-income families with food and acts of love.

We estimate that this expansion will empower *Blessings of Hope* to distribute in excess of **100 million meals** (an average of a meal every 2.3 seconds) to low-income families in the first 10 years of operation.
