# **Partner Food Selection Program**

To efficiently serve our Ministry Partners, we have set up a large food selection area that you can come and select the food you need for your non-profit program. Please note: this food is not to be sold or bartered for any reason.

The service we provide is bringing food into our warehouse and displaying in our food selection area from 120+ sources and making it available for you, our valued ministry partners, to select what you need for your program. Our pricing structure asks for a minimal handling fee to help us cover our operational expenses and empower us to serve you with excellence for years to come.

All food is free. You are not paying anything for the food. You are simply paying a handling/service fee to help us cover our operational costs.

## **Our 'Partner Food Selection' program operational cost pricing structure is:**

- \$0.19 per lb. handling fee for all food you take from Blessings of Hope.
- \$0.15 per lb. handling fee if you take a full skid of product as displayed.
- \$0.13 per lb. handling fee if you take over 10,000 lbs on any single pickup.

## **Food Selection Hours:**

- Monday & Thursday 8:00 AM to 8:00 PM
- Tuesday, Wednesday and Friday - 8:00 AM to 5:00 PM
- Saturday - 9:00 AM to 1:00 PM

## **To serve you efficiently:**

- Handling fees are to be paid at time of food pickup.
- Blessings of Hope can securely store your credit/debit card on file in our encrypted system.
- Blessings of Hope is a privately run establishment, not open to the general public to select food. This food is to be used for program related activities only.
- This program is to serve nonprofit organizations and to be administered by authorized representatives of the organization.
- By receiving food from Blessings of hope, you agree that you are not selling food.

**We appreciate your partnership and look forward to serving you for years to come.**
