Family Friendly Shifts (All ages)

Monday 8:30, Friday 12:30, & 6:30 shifts

Our regular shifts restrict children 9 years old and under.

All shifts are approx. 2 1/2 - 3 hours.

Please schedule to volunteer online at

www.blessingsofhope.com/volunteer

then login to your account to select the desired timeframe for a shift. If you do not have access to the internet call 717-824-1227 to schedule.

Volunteer in 3 Easy Steps

- 1. Schedule.** You can schedule as a group or individually. This is simply for the purpose of limiting the number of volunteers coming at one time.
- 2. Apply.** If this is your first time volunteering, you will need to complete our Volunteer Application for your household. You can do this online or in paper form when you arrive for your shift. (Note: One per household)
- 3. Sign in.** When you arrive for your shift our receptionist will ask for your name or the group name that you scheduled under. Then you can sign in and get your nametag. A volunteer coordinator will direct you to your designated tasks.

2021 Volunteer Policy

We ask that anyone under the age of 16 be accompanied by a supervising adult. Children 9 and under can only volunteer on Family friendly shifts. See front page for shift times. All children, including babies, need to be added to the schedule if they are coming to a Family Friendly shift. Please arrive by the designated start times.

"Food Blessings" for Volunteers (Food you may take along home)

- Each family is welcome to select food to take along home as a "Thank you" for serving.
- There is a \$0.25 per lb. handling fee that applies to all food that you take along home.
- Handling fee is expected to be paid at each visit by check, cash, or credit card.
- Food may not be sold or bartered at any time, or for any reason.
- Please do not ask to select food before your volunteer shift.
- Please remember to keep your children properly supervised at all times.
- Remember, there are other people selecting food too. Keep in mind to be respectful at all times.
- When done selecting your food, unload your carts and return them to their home so other people can use them too.

Let's remember to keep a positive and clean working environment and get to know our fellow volunteers on a more personal level.
